

Chapter 7 Vocab

Make vocab cards for the following 19 words:

- Fermentation
- Aerobic respiration
- Redox reactions
- Oxidation
- Reduction
- Reducing agent
- Oxidizing agent
- Electron transport chain
- Glycolysis
- Citric acid cycle
- Oxidative phosphorylation
- Substrate-level phosphorylation
- Chemiosmosis
- Proton-motive force
- Alcohol fermentation
- Lactic acid fermentation
- Obligate anaerobes
- Facultative anaerobes
- Beta oxidation
